TAKING THE SOUL-SAVING GOSPEL TO A LOST AND DYING WORLD

PEDJA'S BAPTISM

Contend for the faith (Jude 3)!

As always, we thank God for the opportunity to report on another month's labour in Porirua. Pray for us.

New Plymouth Camp

About a dozen of us drove up from Wellington to New Plymouth to join about 150 other Christians at the annual Easter weekend camp. It was a blessing to share in the worship and

fellowship with so many like-minded people of faith. Brother Rob Whitacre from Red Boiling Springs, TN, USA, came and delivered his "Disciplines of Discipleship" series, which was very well received. All who heard the lessons were challenged and encouraged. I recorded the lessons and have uploaded them to the [church website](#) (with permission).

Stephen Higley from Foxton hosted the regular evangelism workshop while we were at camp. It was a blessing to present at the workshop and hear of successes and ideas from around the rest of the nation.

Studies

Sean

We are still studying with Sean, our new friend and contact from the GOD | MAN seminar in April. He is proving to

be good soil and is loving the study of God's word. He has a health issue that we would ask you to pray for. Only once has it hindered our studies, but it affects the rest of his life quite heavily.

BCCs

The Porirua church has about a dozen students actively enrolled in our Bible Correspondence Courses. Most of the students are also contacting me outside of the lessons to express gratitude or ask extra Bible questions. All of these students have signed up through our website.

Phil, one of our students who lives in Christchurch, has also requested an in-home study. I have contacted some of the Christians in Christchurch, and they have begun studies with Phil, reporting that they are going well and that Phil is

hungering and thirsting for God's righteousness.

Malou and Ivan

The studies with Malou and Ivan are a continued blessing. At every study, Ivan asks great Bible questions, most of which he has asked for years. He knows that Kristen and I don't have all the answers, but he seems to really enjoy exploring Scripture with us to find the answers.

Pedja's Baptism

Pedja's story begins in 1998. That's when he decided to stop serving self and start serving the Lord the best he knew how. Consulting his denomination's teachings, he prayed for God's forgiveness and fellowshiped with the local Baptist Church. He would read the Bible on a regular basis, which brought questions, as Bible study should. He would ask his leaders those questions, and they would discourage his questions by claiming denominational or seminary authority. His "pastors" would try to convince him that he could not understand the Bible by himself. Knowing that the first gospel preachers were mere fishermen, that didn't settle well with Pedja. He continued to search for the truth on his own, which led him to believe things contrary to what the surrounding denominations were teaching.

Eventually, his quest for truth and a quick Google search led him to World Video Bible School's website. He watched a few videos available online and thought, "These guys are the only ones making sense out there!" He found Don Blackwell's videos particularly helpful. Doing a little research, he learned that Don Blackwell preaches for the church of Christ in North Charleston, SC, USA. Pedja quickly consulted Google to find

out if there was a church of Christ meeting in his area. When he found our website, he was quick to contact us to, in essence, test whether or not we are the church in the Bible.

Within just a couple of days of the initial contact, John and I met with Pedja and spent four hours with him in study on the first meeting. That was the beginning of many visits with Pedja that eventually led to an in-depth, two-day study of baptism. On the second day, he was baptized into Christ!

Pedja has a lovely wife who also wants to serve God with her whole heart. Kristen and I will begin studies with her on Friday evening of this week, if the Lord wills. They have six children, the oldest being eleven years old. Pedja is excited to be a member of God's family and is looking forward to raising his children in the nurture and admonition of the Lord. They have already plugged themselves into the fellowship of the church, making new friends all the time. Pray for their growth in Christ and His church.

Upcoming Campaign

If the Lord wills, the campaigners will be here in three weeks! We pray that the weather is better than it has been for the past three weeks, which has been rain and wind. We look forward to a great campaign, camp, and gospel meeting.

Conclusion

Last month, the "Royal Family," including Prince William, Kate Middleton, and

Prince George, came to New Zealand for their first family tour. One of their major stops was at Porirua's Royal Police College, which is just five minutes from our house. Kristen and Erin were able to make it down there and catch a very quick glimpse of the family.

Speaking of families, our family is doing quite well. Silas is developing quickly. All checkups show growth and health. Some of the ladies are hosting a baby shower for Kristen and Silas on the 17th. We are now involved in prenatal classes and are meeting more people of our community that are in

the same boat we are in. This is a very exciting time for us.

Thank you to everyone who supports us financially and through prayer. Please continue to do so, as we cannot fulfill this work without you. God bless you and your families!

Keep serving Him,
