

# THE MOSHERS IN NEW ZEALAND

Taking the soul-saving Gospel to a lost and dying world

**ROMANS 1:20**  
 FOR SINCE THE CREATION OF THE WORLD HIS INVISIBLE ATTRIBUTES, HIS ETERNAL POWER AND DIVINE NATURE, HAVE BEEN CLEARLY SEEN, BEING UNDERSTOOD THROUGH WHAT HAS BEEN MADE, SO THAT THEY ARE WITHOUT EXCUSE.

## Thank you for your support!

As always, we have an exciting month to report on. Thank you for loving us. Thank you for loving the Lord’s work in Porirua enough to support us. Keep praying!

### ONGOING STUDIES

When we were planning to leave the USA, people wanted to see our plan in theory. We did the best we could to explain to them how we were praying it would work. It kind of looked like this:

### IN THIS ISSUE:

- ONGOING STUDIES
- NEW SISTER
- CHURCH UPDATES
- FURTHER UPDATES

We have really enjoyed watching the Lord work through this model. When I became a Christian, I was not ready to conduct studies, but I was still on fire for the truth. The solution? Just bring my friends to those who could conduct the studies. That's now happening with our new Christians in Porirua.

We have a couple of studies per week that we're calling Tusi's crew. When Tusi and his cousin, Dora, obeyed the gospel, I wanted to keep grounding them in the faith, but they wanted me to teach their friends about the gospel. We then initiated a Tuesday evening study in deeper discipleship, and Thursdays are reserved for studying the gospel and salvation, where Tusi, Nia, Dora, and Tia are inviting their friends to hear the gospel. At the same time that their friends hear it, they are being reminded of the Scriptures that originally convicted them of the truth. As a side note, Nia and Tia are still counting the costs and have not yet obeyed the gospel, but I expect they will soon.

I've been particularly impressed with Tusi's spiritual growth and knowledge of the Scriptures. I would not be surprised if he began conducting his own studies in the near future.

### NEW SISTER

I recently received an online message from a friend from high school. One of her Christian friends has been inviting her to worship, and she has been searching for the truth. When she sent the message, she was currently reading my book. She was grateful to be challenged by the word of God so much. Two weeks later, she was baptized into Christ. The Lord is adding to His church worldwide day by day.

### CHURCH UPDATES

Recently, Kristen and I viewed and were very impressed by *Building Great Kids* by Glenn Colley and World Video Bible School. We think the principles in these videos would greatly benefit the parents here in Porirua. We hope to do a church-wide viewing of these videos in our home sometime in the coming months.

It's been six months since the Porirua church started an online newsletter called *Good News You Can Use*. We now have over a hundred subscribers, many of which are in the community here. We have received good feedback so far.

### FURTHER UPDATES

Recently, Tim and Kristy Hatch, part of the Dalraida church in Montgomery, AL, visited the Wellington area and spent some time with the church. Unfortunately, I missed them, since I was out of town, but Kristen and Silas were able to spend some good time with them. The Porirua church was blessed on Sunday to hear a lesson from Tim. God granted Tim and Kristy a safe trip home, but the church is already looking forward to seeing them again Down Under!

Spring is upon us in the southern hemisphere. We have set the clocks

back and are enjoying more daylight each day. Sometimes, the weather also confirms what the calendar says. Other times, however, I think it's stuck in its ways and reminds us what winter feels like, though that's completely unnecessary.

In just two months, if the Lord wills, we will be in the United States, which will be our first visit back since we moved to New Zealand in June 2012. The Lord has done tremendous things in our lives in the past two and a half years. We will certainly not be going back to our friends and family as the same people we left. We would love to see you at our homecoming get-together:

6 December 2014, 1:00 PM  
2139 Finger Leapwood Rd., Finger, TN

If you cannot make it to the homecoming, we hope to see you sometime while we are in the States. We begin our journey back to New Zealand on the 28th of January. Currently, this is our schedule of Sundays:

7 December AM - Finger, TN  
7 December PM - Brownsville, TN  
14 December - Chalmette, LA  
21 December - Dallas, TX  
4 January - Rogers City, MI  
18 January AM - Cleveland, TN  
18 January PM - Smyrna, TN

Pray for us now as we prepare, and especially as we travel. May the Lord be glorified in all that we do!

Keep serving Him,

*Lance, Kristen, and Silas Mosher*
