
THE MOSHERS IN NEW ZEALAND

Taking the soul-saving Gospel to a lost and dying world

We have made it back safely!

The last two months have been the busiest two months of our lives. But they were wonderful. We have been in eleven airplanes, three countries, and eight of the United States. Some have made a remark that Silas has travelled more in his first six months than most have in their lives. He might think we are cruel, but at least he is cultured. :)

NA'I'S BAPTISM

In the previous newsletter, we told you of a new contact named Na'i ("nah-ee"). We originally contacted her through letterboxing, and then she investigated the church a bit more through our website. She contacted us through our website, and we met her right before we left for our trip to the States. Considering that Erin was eight months pregnant, we decided to follow up on Na'i after we returned, instead of asking the Joneses to, but Na'i was so hungry for the gospel that John and Erin happily started studying with her right away. In early January, Na'i was baptized into Christ. She continues to study weekly with Dora and the Joneses. John also tells me that she hasn't missed a worship assembly since the first day she visited back in November. We are very encouraged by Na'i's faithfulness. If you would like to send notes of encouragement, please send them to: Na'i Siava, P.O. Box 50560, Porirua 5240, New Zealand.

STATES TRAVEL

We arrived in the USA on 3 December. We visited eleven churches, and I spoke seventeen times. It seems that we were in a new city every couple of days. It was difficult to balance our time with our church families and our physical families. We especially wanted our trip to be a good time for Silas and his grandparents, aunts, uncles, and cousins.

Our trip was great, and many memories were made. We're thankful that God blessed us with safety. Our friends and loved ones all over the US were so kind and hospitable. We're thankful to all of those who made our travel possible. You were all so encouraging to us, and we pray the work in New Zealand is encouraging to you.

Our families quickly demoted Kristen and me to second class upon meeting Silas. He was the star of the show, and he didn't mind one bit. We are so thankful to have had the time we did with our families. We have already begun planning for our next trip to the USA, which will be in June of this year for Kristen's sister's wedding. It will be a short trip to the US to visit family more and celebrate Haley and Chris' wedding.

ANNA GRACE

John and Erin Jones welcomed their baby girl, Anna Grace, into the world on 2 January. We pray God's blessings on the whole family as they have begun this exciting chapter in their lives. Silas will be blessed to grow up with little Anna.

UPCOMING EVENTS

The Porirua and Wellington churches are planning on hosting and attending some exciting events.

- February/March: Campaign in Palmerston North
- March: Chinese outreach and gospel meeting with John Grubb
- April: Easter weekend lectureship in New Plymouth
- April: Outreach with Mike Vestal and Gavin Iskeep
- May/June: Queen's Birthday Weekend Camp hosted by the Porirua church
- May/June: Campaign in Porirua (much smaller scale than normal)
- June: Seminar on Mormonism by Nathan Franson in Porirua, Palmerston North, and Hamilton

Please pray for the gospel to spread further than ever in 2015. We look forward to these events and thank those in advance who plan to come and help us. Your prayers, encouragement, and financial support are equally helpful. We thank God for you regularly.

CONCLUSION

As always, we cannot be doing this work without you. God bless you in your endeavours to serve Him this year where you are. Plant and water seeds. God will give the increase. Until next time, keep serving Him!
