
THE MOSHERS IN NEW ZEALAND

Taking the soul-saving Gospel to a lost and dying world

In everything give thanks.

We are truly blessed to be labouring for the Lord in Porirua and Wellington, New Zealand. We could not do it without the generosity of Christians around the world. The last lesson I preached in Porirua was on the opportunity to give back to the Lord on Sundays and what a blessing it is to support the Lord's work. As my family depends on the generous giving from the Lord's people, I was able to speak from experience. We always remember, though, that the increase goes toward the giver's credit, not the preacher's credit (Philippians 4:15-20). So, thank you for growing the church in New Zealand.

MIKE VESTAL EVENT

On 8 April 2015, we held a special seminar in Wellington with Mike Vestal. He dealt with the topic, "The Problem of Evil, Pain & Suffering." He did a great job. The seminar is the result of the labours of three congregations- Wellington, Hutt City, and Porirua. We had over 50 in attendance, 6 of which were visitors from the community. The lesson was recorded and is available for you to watch and/or listen to on the [Porirua church](#) and [Wellington church](#) websites.

DOOR KNOCKING

While we had Mike Vestal with us, we also put him to work outside. Mike brought Gavin Iskeep with him, a member of his local youth group in Midland, Texas. On 9 April, Rod Kyle, John Jones, and I took them out door

- NEW VIDEO

knocking in Takapuwhia, an area of Porirua that has not been contacted much. In an hour and a half, we reached six people who were interested in Bible study. We were very thankful for the workers and the fruit our efforts produced. We found that about half of the people home in that area are or had previously been active in the Mormon Church. Porirua has one of the largest Mormon adherents in the entire nation. Most of them are in or surrounding the suburb of Takapuwhia. We will be returning to that area for door knocking in promotion of our [seminar on Mormonism](#).

One of the six people we contacted on 9 April was Mark. I have returned to his house a few times. He has now enrolled into the Bible Correspondence Course, and we began our weekly personal Bible studies this week.

NEW VIDEO

I have spent a lot of time studying with Mormons, especially “missionaries” who come to our door. It’s always been a great exercise in academics and logic. Unfortunately, with only one exception, I feel I have gotten nowhere with them. The last “missionary” that I studied with asked me if I had read the entire Book of Mormon. I had read much of it, but not the entire thing. When he learned that, he no longer took me seriously. I later found out that the majority of Mormons have never read the entire Bible. However, because I sincerely want to be able to reach my Mormon friends with the gospel, I undertook the task of going through the entire Book of Mormon.

I have finally finished that task. I now feel a bit more qualified to look at the Book of Mormon with logical tests in mind. In preparation for our [seminar on Mormonism](#) with Nathan Franson, I have put together a video titled, “Three Tests the Book of Mormon Cannot Pass.” You can view the video on the [Porirua church website](#). I also preached the lesson in Wellington to get the congregation excited about the opportunity to reach our friends with the gospel through this seminar.

CONCLUSION

The next month is going to be very busy for us. We will have about 25,000 post cards to distribute by hand to promote the upcoming seminar. We will then follow up with door-knocking. We also look forward to having Christopher and Marion Rich with us. Lord willing, they will arrive on 8 May. They will be helping with our outreach. Nathan, Katy, and Micah Franson should be here 28 May. Cassidy Williams will also arrive on 2 June, if the Lord wills, to help us in the final days leading up to the seminar. Be praying for safe travels and our efforts to reach the community.

As always, we give God thanks for your love. Keep serving Him.

Lance, Kristen, and Silas Mosher
