

THE MOSHERS IN NEW ZEALAND

Taking the soul-saving Gospel to a lost and dying world

“PANCAKE ROCKS”

Let’s keep serving together!

Every day is a great opportunity for us to serve the Lord together, whether we are side-by-side or oceans apart. Thank you for opening doors for our work through your prayers and support.

Since this past month has been such a whirlwind of a month, it feels this newsletter will simply be an extension from last month’s.

FISHERS OF MEN

Fishers of Men is now in its ninth week of eleven. In a couple of weeks, I will be speaking at the graduation ceremony. It has been so encouraging to see each and every member of the class grow exponentially. Every week, we have our “Fish’n Report,” where we get to talk about our evangelistic efforts of the week gone by. Each student always has something to say regarding success, challenges, and work in the Lord. Every report is a pep talk for me.

Out of the twelve students, only John and I are full-time evangelists. All the others have other full-time jobs. Despite the demands of every day life, between them, they are conducting nineteen one-on-one Bible studies

every week. The Christians here realise that the church is an army, and each person must do what he or she can to build the army of the Lord. We can't just leave it for "the preachers." John and I both know the value of being full time in this work, but we are so blessed to have these co-workers helping us!

VISIT FROM CHRISMANS

Kristen's mother and step-father arrived safely in Wellington last Saturday. They will be with us for just a few more days. Since their arrival, we have spent six days on the South Island, touring and enjoying the scenery.

Every time I go to the South Island, I am reminded of how many people down there need easier access to the Lord's church. There is a great need for workers in several large cities. Keep praying for the Lord to send workers into His fields.

Kristen, Silas, and I have thoroughly enjoyed our visit from "Mimi and Moosepa." Though we will hate to see them go, please pray for their safe travel this coming Friday.

CAMPAIGN PREPARATION

This time of year is always exciting as we prepare for the upcoming campaign. However, for a few reasons, I am more excited than normal for this particular campaign. Over 30 workers will be coming to New Zealand in May to work for nearly three weeks between at least seven congregations. There is going to be an aura of growth throughout the Lord's church on the North Island. We in Wellington/Porirua will be giving our campaigners serious training and tools that they will be able to use in their evangelism for the rest of their lives. We look forward to seeing what the Lord will be able to do through their efforts. Please pray as we are heavily involved in preparation.

CONCLUSION

We look forward to welcoming Butch, one of our elders from Chalmette, into our home next month. He will be here for just a few days, but it's going to be great to have him here.

Please pray for all of us as we continue to go out and be a shining light. We will pray for you, too. God bless you.

Keep serving Him.
