Taking the soul-saving Gospel to a lost and dying world

SCOTT CHRISMAN BRINGS A LESSON TO THE PORIRUA CHURCH

## August already?

The months are flying by! Not only is it already *August*, but Asher is also nearly *two months old!* We have thoroughly enjoyed the visits from Kristen's family during this time. First, we had a month with her sister, Haley. Now, we have had two weeks with her parents, Scott and Candy. While her parents were here, Scott let me put him to work. He preached one sermon, taught two adult Bible classes, led singing, and led the Lord's Supper. We're grateful for all they have done and are doing for us and the work here. Of course, they were happy to spend time with the new grandson.

### BAPTISMS

We are happy to report that two new souls have been added to the kingdom—Brooklyn and Kevin. Brooklyn is the oldest daughter of a Christian couple in Wellington, Peace and Aaron. Brooklyn, along with her siblings, has been studying the Bible with her parents, and she made the decision it was time to follow Jesus.

Kevin was a visitor to the Wellington church a few months ago. He received a very warm welcome, which he admits is what caused him to stick around, since he was "church shopping" at the time. Daniel, one of our Bear

Valley full-time students invited him to study the Bible. After about two months of studying, Kevin also decided to put on Jesus in baptism.

### STUDIES

As always, we have been enjoying our studies. There are two young ladies who are currently considering baptism, but they both want to be sure they understand the costs of discipleship first. Pray for them.

### WORKING OUTREACH

The small things the church is doing here to reach out to the community continue to prove successful. We had a very excited visitor to worship this past Sunday who had received a *House to House Heart to Heart* publication in her letterbox. We also received a request for Bible study this past week through our website from someone who recently picked up a Bible for the first time in her life.

### SCHEDULED RECORDING

I look forward to recording a couple of experienced preachers in my video studio within the next month. Rod Kyle from Palmerston North is coming down next week to record a lesson on the silence of Scripture. Mark and Mindy Reynolds from Bear Valley in the United States will be visiting us for a week next month, and Mark is also preparing to record a lesson in the studio.

### CONCLUSION

For the entirety of June and July, the Joneses have been in the USA. Like we did earlier this year, they visited around twenty churches in multiple states. We know their trip was a blessing, but both they and we are happy they're back.

World Video Bible School is currently having a sale on my book, *Transformed*. You can currently get them as cheap as \$3.40 per book, including shipping (no tax). I'm told this sale will last through September.

Thank you all for your love and support. We are blessed to be working here in New Zealand, and we know we couldn't do it without you. God bless you!

Keep serving Him,

Daniel takes Kevin's confession

Bear Valley Bible Institute-New Zealand has officially been in operation for over a year. We are all better for the experience and knowledge we have gained. Thank you to all who have encouraged the work here.

A few months ago, the Wellington church received a visitor, Kevin. Right away, Daniel, one of our full-time students, spoke with him about Bible study. He agreed, and after a couple of months of study, decided to be baptized into Christ. We are thrilled to see our students reaching out to those who need Jesus.

Again, thank you for your love and support. Keep praying for our students and their studies!

Keep serving Him,  
*Lance Mosher, BVBINZ Director*
