Taking the soul-saving Gospel to a lost and dying world

FAMILY DAY AT STAGLANDS WILDLIFE RESERVE

## What a great year!

As we approach the end of the year, we are joyed to look back at another year of service to the Lord in New Zealand. You all have been such a blessing to us in this work. Thank you! If the Lord wills, we look forward to another year!

### BAPTISMS

Last month, I reported on a nearby family who studied the gospel through the help of World Video Bible School. Sio, having been baptized, studied patiently with his family. One night, John received the phone call that his wife, Tupou, was ready to be baptized! We are thankful for all who were instrumental in leading them to the Lord.

I've been studying with Max for over two months now. We met him at a Family Day that the Joneses put together. Three weeks ago, he also decided to put on Christ in baptism!

Pray for these babes in Christ. If you would like to encourage them, send notes and cards to:

- LADIES BIBLE TIME
- UPDATES

**LADIES BIBLE TIME**

As the young mothers around us keep busy taking care of so many things, not the least of which are their husbands, it is easy for them to be distracted from spiritual edification. John and I have begun taking some time out of each week to watch the children of the church, so the ladies can get together for Bible study without distraction. Doing so has been great for the ladies, and it certainly has increased John's and my appreciation of what those ladies do all of the time!

**UPDATES**

At the end of November, I will be travelling to the USA by myself for two weeks to participate in the wedding of a dear friend, Tyler Naes, to Rose Gilmore. Because of that, there will be no newsletter in December. I may see some of you as I travel around, but it seems every day is accounted for in this short trip.

I have enjoyed teaching Bible classes on Genesis (Wednesdays in Wellington), the Parables of Jesus (Sundays in Wellington), and the Reliability of the New Testament (Sundays in Porirua).

We have released another update for Make Disciples Training Program. If you're interested, [click here](#) to read it.

I have completed and uploaded my video on "What Do You Know About Demons?" [Click here](#) to view it.

If you are interested in a bit of history of the city in which we live and minister, [click here](#) to view a 13-minute amateur documentary made in 1962.

Thank you, as always, for your participation in our work. We love you very much!

Keep serving Him,  
*Lance, Kristen, Silas, and Asher Mosher*

Thank you to all who make our work possible. It's been another great month for BVBINZ. We have begun a new quarter, which will lead us through the new year.

We welcome Joziah as a new full-time student. He is currently in Wellington taking classes, but most of his classes will be taken live online, because of some current health issues.

John Jones, one of our staff, and Daniel Jensen, one of our full-time students, were away for two weeks recently. They went to Suva, Fiji, to help the local work and for John to teach a short course in Bear Valley Bible Institute Raiwaqa.

We are grateful for our connection with the Bear Valley family around the world. Keep praying for all of our efforts. We love you!
