SURGERY RECOVERY

On the 6th of March, I had ACL reconstruction surgery. As I have been telling most people, “I am glad to be on *this* side of the surgery.” Yes, recovery from a knee operation is tough and quite painful at times, I am glad that we’ve done something about my injury, and I look forward to the benefits of having a reconstructed knee!

BVBINZ CAMPAIGN

For some time now, we have been involved in the recent church plant in the Wairarapa (about an hour and a half over the hill and through the woods from Porirua). There is a growing group of Christians in Carterton and Masterton that are zealous to reach the souls around them.

MDTP NEWS

There is another news entry for Make Disciples Training Program that you can read [at this link](#). It includes a report of one baptism, plus our class statistics so far!

CONCLUSION

With all of the sitting I have been doing through my recovery, I have been able to plow through much of my to do list, including finishing two more online videos for Topical Bible Studies. You will be edified and challenged by them. Click the links below to view them.

Silas began preschool last month. It's hard to believe that he's old enough to do so. He's really enjoying it. On the morning he began, Kristen asked him a few questions and recorded the answers for future reference.

- Favourite colour: "All of them!"
- When I grow up, I want to be: "A daddy!"
- I love to play with: "Cars, trains, train tracks, Nerf guns, LEGOS!"
- Favourite food: "Grapes and popcorn!"

We met with the US Consulate at the Embassy of the United States of America this week to establish Asher's US citizenship. He now has dual citizenship. In two weeks, the rest of us who are not as privileged will be submitting our applications for New Zealand Permanent Residency.

Again, thank you for your interest in our family and work. We are blessed to be here, and we recognise that we are able to be here on your sacrifice. We love you. God bless you.

Keep serving Him,
Lance, Kristen, Silas, and Asher Mosher

Last month, BVBINZ had our third door-knocking campaign, which was organised by John Jones. We worked in the Wellington Region in Wellington city, Petone, Carterton, and Masterton to drum up some contacts for Bible study for the local Christians. We had about a dozen participants, including guests from the USA, Brittany and Scott Simpson.

Unfortunately, we were all so busy with the campaign and fellowship, we forgot to take a group photo. The statistics from the campaign are:

- Days worked: 4
- Doors knocked: 1,132
- Conversations: 487
- Bible study contacts: 23

The BVBINZ students are over halfway finished with their Personal Evangelism 1 course, which is being fulfilled through the Make Disciples Training Program. You can read about the latest news at [this link](#).

Thank you to everyone who is involved in making anything related to Bear Valley possible. To God be all the glory!
