

THE MOSHERS IN NEW ZEALAND

Taking the soul-saving Gospel to a lost and dying world

“It is a trustworthy statement...

that Christ Jesus came to the world to save sinners” (1 Tim. 1:15)! That’s why we do this, isn’t it? We are all busy in the kingdom, sowing His seed, watering seed cast by others, and praising Him as He provides the increase! Thank you for the support of this work.

KNEE SURGERY RECOVERY

I have begun physical therapy. Progress is certain, but it is also slow. I am almost able to walk without a limp. It will be a few more months before I can do anything beyond walking. Thank you for your prayers.

NEW STUDIES

In the past month, I have begun Bible studies with three new people. Two are some men in Petone (part of Wellington). They are from India and have a Catholic background. They are excited about learning about Jesus from their own Bibles.

The other study is with the teenage son of one of our members. We've been praying for him for a while, and he is really searching for the truth.

NEW WORKERS

There are several blessings to being part of a school that trains people to teach and preach. One of them is watching your students apply their training in the most meaningful ways. This past month, our newest full-time student, Joziah, preached his first sermon (ever).

Our students are also involved in teaching Bible classes and personal Bible studies. Jay, one of our first full-time students, will graduate in July, if the Lord wills. He then plans to teach and preach full time in Porirua.

Max, a man that I taught and baptized a few months back, has completed the Make Disciples Training Program, and I have now begun teaching him the basics of preparing and presenting sermons. He hopes to be confident to begin teaching publicly in a few months. He also plans to enrol in BVBINZ full time in August.

UPDATED SITES

I have spent much time in the past month updating two websites that I manage:

- topicalbiblestudies.com
- transformedjourney.com

I hope you have the chance to visit both. I created Topical Bible Studies when I first started writing Bible lessons. Some of my original lessons are on there, but I am slowly adding more. I have also invited another author, Mitch Robison, to help in developing content. I have some big things planned for TBS, so stay tuned. In the meantime, you can "Like" TBS on Facebook.

I have begun selling my book, *Transformed*, on the book's site. Now, you can purchase the book directly from me, and it is the cheapest way to get one, two, five, or fifteen copies of the book. Plus, it supports our work. However, if you're wanting twenty or more copies, it is cheapest to go through wvbs.org. "Like" Transformed on Facebook.

CONCLUSION

Silas brought his first visitor to worship with him this past Sunday. Zola is his six-year-old neighbourhood playmate, and he invited her to come with us. With her mother's permission, she came with us to Wellington and Porirua. She seemed to enjoy it, and she met many more children her age. We will continue to invite her, and maybe we will have a chance to get to know her mother through this.

We have many more things to update on, but they will have to wait until next month. In the meantime, continue to pray for us. Thank you for your love, encouragement, and support. God bless you.

Keep serving Him,
Lance, Kristen, Silas, and Asher Mosher

- Revelation; Trevor Major, Instructor
- Personal Evangelism 1; Lance Mosher, Instructor
- Introduction to Biblical Hebrew; John Jones, Instructor
- Romans; Daniel Boyd, Instructor
- Greek 2; John Jones, Instructor
- 1 & 2 Thessalonians; Kent O'Donnell, Instructor

A few nights ago was my final class for Personal Evangelism 1 (Make Disciples Training Program). We will have a graduation of sorts for the class this coming Sunday, 15 April, where we will have our final numbers for religious conversations, Bible studies set, and Bible studies conducted. I hope to report on those next month.

We have begun seriously speaking to our full time students about their plans after graduation in July this year. One of them, Jay, will be working full time with the Porirua church after graduation. He will be preaching, teaching, leading singing, and conducting community evangelism. We really look forward to having Jay on our team full time!

We have been busy planning our upcoming campaign in May/June. We expect to have about a dozen Freed-Hardeman University students staying in Wellington to help us reach out to the community for two weeks. They will also attend our lectureship and camp. This year's lectureship theme will be "Life After Youth Group: Growing Up With Our Faith Intact."

The staff has also been recruiting, and it looks like we may have four full-time students and a few part-time students joining BVBINZ in August. We are also drafting up the schedule of classes for the next school years.

We are excited about the things on the horizon for BVBINZ. Stay tuned. God bless you. Keep serving Him!
