

THE MOSHERS IN NEW ZEALAND

Taking the soul-saving Gospel to a lost and dying world

Merry Christmas and Happy New Year!

As we wind down the year, we send our greetings and love, as well as a short newsletter to give you an update on the work and our family.

NEW BABIES

We join the Jones family, our co-workers on the field, in welcoming baby Lydia to the world (27 November). We also are happy to join the Boyd family, another Christian family labouring in Porirua, in welcoming baby boy Corlew (11 December). It's a joy to see the church family grow in this manner.

We also have some news to share of our own. Baby Mosher #2 is due on 21 June 2017! We are excited about having another little one, and we ask that you pray for us on this journey.

EVANGELISM TRAINING

You may recall that many of the Christians in the Wellington Region were involved in Fishers of Men evangelism training early this year. We are now meeting with all of the graduates to formulate a plan on what's next in evangelism training in the church in New Zealand, in addition to Bear Valley Bible Institute-New Zealand. We are excited about what we've come up with so far. This is just one more (giant) step toward "working ourselves out of a job"!

UPCOMING TRIP

This is just a reminder that on the 19th of next month, we plan to board a plane to head to the USA for a couple of months. We will be all over the place, and we look forward to seeing most of you. Thank you for your love and support. God bless you all.

Bear Valley Bible Institute

N E W Z E A L A N D

Courses Offered This Month:

- Public Speaking 1; Kent O'Donnell, Instructor

- New Testament Church; Lance Mosher, Instructor

- The Christian Worker; Rod Kyle, Instructor

We are continually thankful for all those involved in BVBINZ, whether as students, instructors, financial contributors, encouragers, and those who pray. I just completed my course on The New Testament Church. Rod's class on The Christian Worker begins this weekend.

We are preparing for our first BVBINZ campaign next month. We will be assisting some Christians in reaching out to the lost of the Hawke's Bay Region. We currently have twenty participants, apart from the Hawke's Bay Christians.

BVBINZ Numbers

At the end of each year, Bear Valley in Denver requests that we send out our numbers. Given that the school has only been around for less than five months, our numbers are relatively small, but we look forward to watching them grow.

- Students: 11
- Baptisms: 2
- Local Teachers: 6

Keep serving Him,

Lance Mosher, BVBINZ Director
